#### Rationale for Consideration Units to be Issued

» The Manager intends to fund the acquisition with a part payment by way of issuing Keppel REIT Units to Keppel Land at the prevailing price market price<sup>(1)</sup>

**Align Keppel Land's interest** with that of Keppel REIT and its Unitholders. It also demonstrates Keppel Land's **commitment** to support Keppel REIT's growth story.

Issuance of Units to Keppel Land will also result in Keppel REIT raising **less equity** from the market in placement.

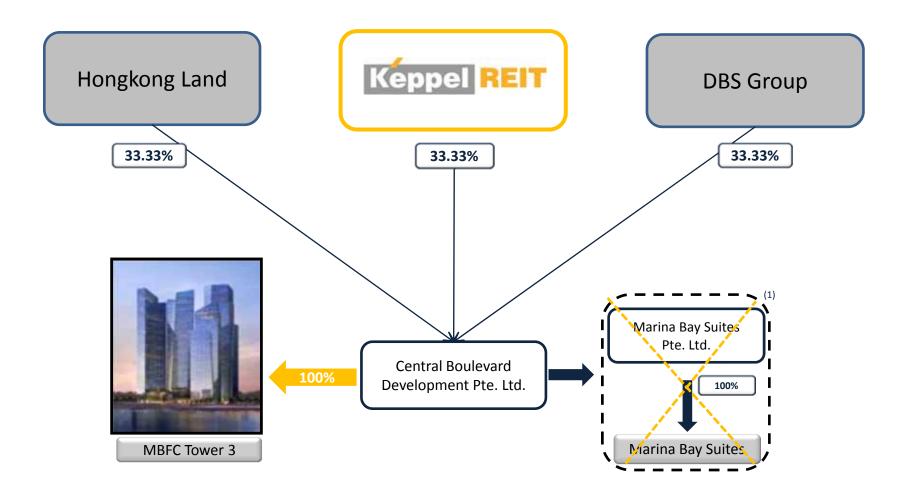

The Units will only be issued to Keppel Land on the Completion Date. As such, there will be **no impact on the DPU** for the period from the date of announcement to the date of issuance of the Units to Keppel Land.

(1) The Units issued to Keppel Land as part payment, amounting to S\$185.0 million, shall be issued on date of legal completion and priced based on the preceding 10-day volume weighted average price of Keppel REIT Units.

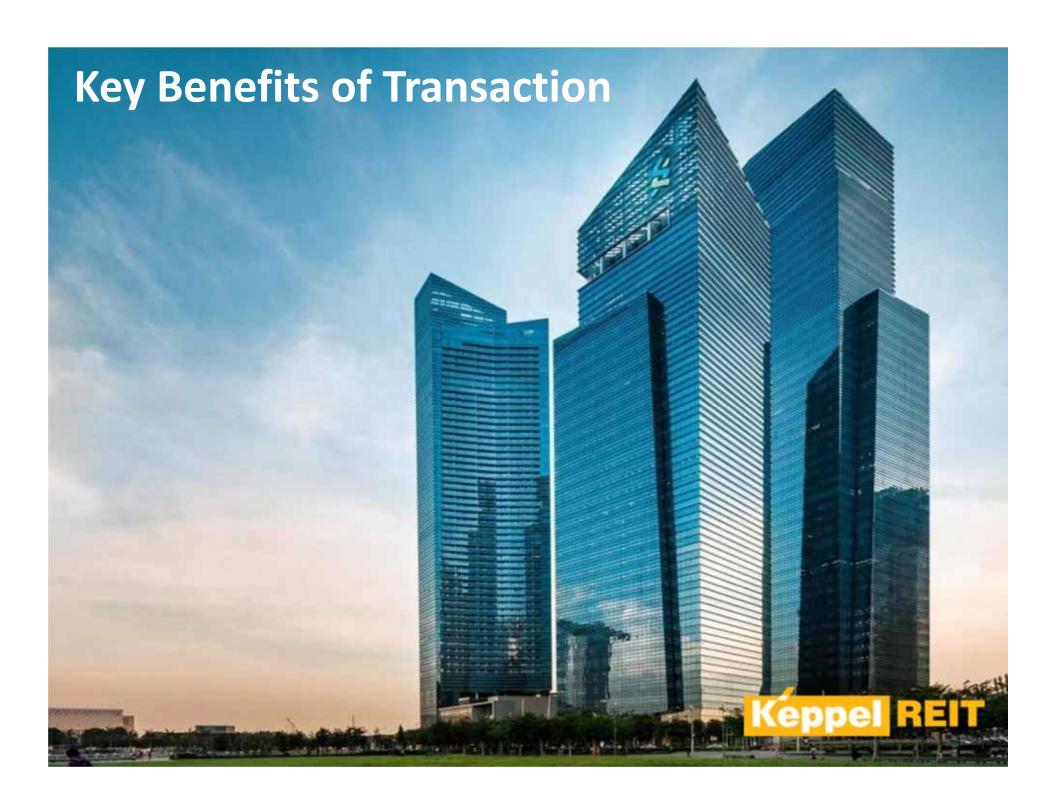

(1) The acquisition is structured to effectively exclude the interest in Marina Bay Suites Pte. Ltd, which holds Marina Bay Suites.

#### **Key Benefits of Transaction**

- Consistent with Keppel REIT's Investment and Growth Strategy
- Strengthen Foothold in Singapore's Financial District
- 3 Improve Property Portfolio
- Strengthen Tenant Base and Enhance Income Diversification
- Enhance Income Stability and Sustainability over a Longer Term

#### **Consistent with Investment and Growth Strategy**

- Strategic rejuvenation of property portfolio with the proposed accretive<sup>(1)</sup> acquisition of a one-third interest in the two-year-old MBFC Tower 3 and successful divestment of the 92.8% stake in the 16-year-old Prudential Tower
- » On 26 September 2014, Keppel REIT completed the divestment of its 92.8% interest in Prudential Tower for \$\$512.0 million
  - 4.5% premium to the last valuation of S\$490.0 million<sup>(2)</sup>
  - 46.7% over the original purchase price of \$\$349.1 million

Divestment of the 16-year-old Prudential Tower

One-third interest in the two-year-old MBFC Tower 3

<sup>(1)</sup> On a pro forma basis for the financial year ended 31 December 2013, DPU will accrete from 7.88 cents to 7.89 cents.

This has assumed that Prudential Tower is divested and part of the sales proceeds is used to partially finance the acquisition of the one-third interest in MBFC Tower 3.
