IMPORTANT NOTICE: The past performance of Keppel REIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be “forward-looking” statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments or shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business.

Prospective investors and unitholders of Keppel REIT (“Unitholders”) are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel REIT Management Limited, as manager of Keppel REIT (the “Manager”) on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. None of the Manager, the trustee of Keppel REIT or any of their respective advisors, representatives or agents shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of units in Keppel REIT (“Units”) and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited (“SGX-ST”). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.

Looking Ahead

Ocean Financial Centre, Singapore

- Continued improvement in average Grade A office rents through FY 2018, with average Grade A office rents increasing to \$10.80 psf pm as occupancy in the core CBD rose to 94.8% in 4Q 2018
- Office market outlook remains largely positive, supported by a tightening supply pipeline and diverse demand drivers

- Quarterly net absorption at its highest level in more than a decade
- National CBD office average occupancy rose to 90.9%
- Business conditions remain generally positive across Australia. However, global trade and geopolitical uncertainties could potentially impact future leasing demand

Committed occupancy at 8 Exhibition Street in Melbourne improved in 4Q 2018

A photograph of a modern building's interior courtyard. The space is characterized by its glass walls and a prominent yellow ceiling. The floor is made of large, light-colored tiles. The architecture is contemporary, with clean lines and a mix of materials. The lighting is bright, coming from the large windows and the yellow ceiling. The overall atmosphere is clean and modern.
